

Topic	Issue	Planned Action	Outcome
Safety			
1)	Lighting by Old Main, Old Thompson, Building F, Harner Road, and Behind D	Contact the safety office and begin discussions on how we can increase lighting	TBA
2)	Emergency Buttons - Number and Response Time	Contact the campus police and check their average response time and see how they react to the situations	TBA
3)	De-Icing of Sidewalks; De-Leafing of Sidewalks	Talk to maintenance and find out their process and see if they can improve how the process is completed	TBA
4)	Being alerted of actions that occur around campus that could jeopardize student safety	Contact campus police and the PR office and see if there is a system (like the texting system we currently have) we can implement	TBA
5)	More patrolling of campus police during week nights	Talk to campus police and see if this is possible	TBA
Bookstore			
6)	Book Prices	We are looking to improve the book process for next year.	Currently prices can not be lowered because they are set by the company we order them from but we are trying to move to a "print on demand" system or something else more cost efficient
7)	Overall worker Attitude and customer service	Talk with the manager of the bookstore and let him know how the comments about his staff	TBA

8)	Merchandise Prices	Talk to the manager and see what we can do about prices to improve them to be more competitive	TBA
9)	Tobacco Sales	Talked to the Manger and business manager of SGA	No longer can sell tobacco; we removed our license to sell after the smoking ban
10)	Clothing Variety - Size, Design, Color	Talk to the bookstore manager and see if diversity can be added to the clothing selection	TBA
Campus Living			
11)	CA Enforcement of the residence hall rules (i.e. Quiet Hours)	Communicate with the Assistant Director of Residence Life and make him aware of the issue	TBA
12)	North-Rhoads Parking	Parking at that end of campus is always a problem; but we are working with campus to help with parking on that end of campus	TBA
13)	Overbooking	Talk to Assistant director of Res. Life and see how this can be prevented	TBA
14)	Maintenance Response Times	Contact maintenance and see what they have to say about how the avg. response time is	TBA
Resurrection of School Spirit Club			
15)	Bring back Rock Rowdies	N/A	It currently has be brought back by students on campus and you can join; look for fliers around campus

16)	Busses to closer away games	Talk to the SGA Shuttle bus committee and see if starting this type of routine would be possible	TBA
Academics			
17)	Rock Talk Hours	N/A	This problem will disappear in about 18 months because the system is being updated with a new banner
18)	Advisors/Poor Advising	Meet with Provost Williams	A few solutions are: You are always open to request a new advisor, Advisors are only advisors, They are open to finding a way to "train" advisors
19)	History and English Master Programs being dropped	Provost Williams	They have not been cut yet. They were asked to create a "plan" to increase enrollment. History has completed theirs and English is currently working on theirs, Neither programs are cut.
20)	Dropping of the Intensive Writing courses - Good and Bad	Provost Williams	Each department creates their own intensive writing courses. They are still in the curriculum just not "required"
21)	Student to Teacher Ratio	Provost Williams	The current ratio is 22:1. It is recommended by the Provost that as enrollment increases professors increase and that has been the case

22)	Atheletes scheduling First - Why?	Provost Williams	The scheduling order is Honors, Seniors and Athletes, then by credits earned. Honors first because they need their honor classes, Then seniors so they can graduate, then atheletes because of practice commitments.
23)	Computer Lab in the Upper end of Campus	Talk to the VP of Student Life to see if this is possible for the students who tend to spend all their time on that side of campus	There is one in Miller auditorium that is under utilized. Provost suggested that if whoever asked for this contacts me with a petition showing strong interest they will consider a lab and thought it was a great suggestion.
24)	Universal Grading Scale	Provost Williams	The grading scale is decided by each individual professor; it is based off of their discretion
Advertising			
25)	Weekly Events E-mail	Contact the PR office and see if this is possible to bring back so you know the events of the week upcoming	We have been in contact and they are willing to send out an e-mail with these events; More details to come!
26)	Commuter Student Awareness	Talk to UPB about their advertising techniques and this will also be helped with the weekly e-mail mentioned above	TBA

27)	Calander Posters with Events	Talk to the CSIL office about bringing these calanders back with dates and times of events throughout the semseter	The CSIL office has agreed to bring these back to distribute but will now include events from all organizations not just UPB and BAS and will hopefully be distributed for the Spring semester
Campus Cleanliness			
28)	Landscaping- Spotty Grass, "Deer" paths from students	Contact maintenance and see if we can replant the grass in spring and maybe block the path with plants or trees to deter students	TBA
29)	Enforcement of Littering Rules	Contact Campus police, this will be hard to enforce because the students must be seen throwing the item on the ground	TBA
30)	Better trash removal	Contact Maintenance and let them know about the concern	Contacted them and they said they notified their employee trash collectors and they will be more aware
31)	Ashtrays	More ashtrays around campus	More ashtrays have begun to be added around campus for people to dispense of their cigarettes
32)	Spotts overall cleanliness	Contact the man in charge of the custodial services on campus and make him aware and see if they can implement random checks on the building	TBA

33)	Mens Locker Room in the ARC	Contact the director of the ARC and make him aware and see how they can ensure its cleanliness	TBA
Student Activities			
34)	Make freshman more aware of activities	Talk to UPB and see how they think it would be possible to help spread the word to freshman about the activities (see advertising)	TBA
35)	Less smaller events substituted for Large events	Talk to UPB to see if this is possible and what they think would be the best course of action	TBA
Library			
36)	Library Hours - Open earlier, Later Friday, 24/7	Meet with the Director of the Library	TBA
37)	Computer Access	Meet with the director and idea SGA had was to have a set of computers with 15 min limit	TBA
38)	Socializing instead of Learning	Director of Library and see if the noise level can be controlled by employees	TBA
Happy Bus			
39)	Need more buses	Apply for transportation grants. We can no longer afford to expand services on our own.	
40)	Buses are not always on time	Traffic in SR makes navigation difficult during certain times of the day.	Use NEXTBus GPS tracking to know exact arrival times of bus.

41)	Buses do not stop at all off campus apartment complexes	Apply for transportation grants to expand service AND encourage apartment owners to contribute to shuttle fund.	IVY and HEIGHTS added to off-campus loop due to monetary contributions to Shuttle.
42)	Evening route has ended	FALSE - ONLY THE FRIDAY EVENING SHUTTLE HAS ENDED, Monday-Thursday evening route still in place	Encourage use among peers of evening shuttle to prevent other evenings from being cut from route due to low ridership
43)	Get rid of security officer	Students became too rowdy on late night bus which became a danger to driver. Security guard is there to make sure bus is not overloaded and that no one is drinking on the bus, not to bust underage students.	Security officer will remain in place indefinitely for the safety of the riders and the driver.
44)	Union Bus Stop is Confusing	As soon as road above Boozel is closed, both buses will stop at the upper drive of the Union Lot.	
45)	Don't get rid of Happy Bus	The SGA Shuttle service is not going anywhere. It is funded by the General Service Fee which goes to SGA, not the University.
